

## A LEADING LUXEMBOURG BUSINESS LAW FIRM

Noble & Scheidecker provides high quality tailor-made legal solutions mainly to international clients active in the financial, banking, information technology and telecommunications sectors as well as in pharmaceutical industry.

With an in-depth expertise in corporate law (in particular M&A and corporate structuring), regulatory and financial law (including setting up alternative investment funds), employment law and IP/ICT law, including European and international aspects, it ranks amongst the top ten law firms in Luxembourg.

In order to meet the global needs of each client, the boundaries of its practice areas are flexible, allowing Noble & Scheidecker to combine a tailored expertise with a global and cross-competent approach.

Noble & Scheidecker is also a dynamic team of multi-national professionals, providing legal advice in various languages. The lawyers enjoy working in teams, coordinated in Luxembourg or internationally.

### TAILOR-MADE SERVICES

**Corporate Services** including Corporate Structuring, Private Equity, M&A, Commercial Contracts, Real Estate and Litigation.

Having experience and expertise in a large number of commercial fields, relevant knowledge of local and foreign tax constraints as well as accounting and financial issues, the specialist team of Noble & Scheidecker assists its client throughout the whole life cycle of a company, thriving in seeking and finding tailor-made solutions to meet its expectations. This team also provides a full range of services in the field of private equity and mergers and acquisitions.

**Finance Services** including Financing Transactions, Investment Funds, Capital Markets, Regulatory Advice, Private Banking and Litigation.

Noble & Scheidecker's finance team provides international and domestic banking and financial services, advising a wide range of clients. It is active in all financial matters ranging from private banking activities to international listings. Because the financial sector is a constantly evolving sector, this team is continuously focusing in the latest financial products developed on the Luxembourg and international markets.

**Technologies & IP Services** including Outsourcing, Information Technology, Internet & e-Commerce, Intellectual Property, Data Protection & Privacy, Communications & Media, Biotechnology & Healthcare and Litigation.

Noble & Scheidecker offers a multinational and multidisciplinary expertise focusing on the IT and telecom sectors through the deep understanding by its team of new technologies, the particular requirements of the businesses in these sectors and the challenges they face. Due to the ever-evolving methods of doing business, the IP/ICT team is not only working for ICT companies but also for companies from non-relating sectors who have encountered new challenges linked to this field.

**Employment Law Services** including International Mobility, Employee Benefits & Pension, Corporate Reorganizations, Dispute Resolution and Litigation.

The experienced employment law team is one of the leading practice teams in this field in Luxembourg. It advises on all national and international legal aspects associated with human resources management. The strong relationships established with their clients allow Noble & Scheidecker to deeply understand their needs and to create tailor-made solutions.

### A WORLDWIDE REPRESENTATION

The strong relationships established with other foreign law firms, consultants and service providers allow Noble & Scheidecker to provide global coordination and integrated advice to clients whose business activities reach beyond Luxembourg.
