

Radia Doukhi

Experience

Radia joined the team in August 2007, after having worked in several law firms notably in Paris, Strasbourg and Luxembourg providing legal assistance on all aspects of business law.

At MNKS, Radia is mainly involved with international corporate structuring transactions. She enjoys participating to teams assisting on large and complex projects for a high profile clientele.

She deals notably with preparing the legal documentation required for the transactions and performing research on all corporate law related matters.

Working for MNKS is an opportunity to develop her expertise as legal counsel.

Education

Postgraduate degree in European law (DEA), University of Strasbourg III (France), 2005

Postgraduate degree in business law (DESS), University of Strasbourg III (France), 2003

Law degree in business law, University of Strasbourg III (France), 2002

Bar Admission

Admitted to the Luxembourg Bar 2007

Hobbies

Radia's favourite pastime is swimming, as it is the ideal way to relax.

During her free time, she likes going to the cinema, reading books or spending time with friends.
