

Marie-Béatrice Noble

Experience

Marie-Béatrice is a founding partner of Noble & Scheidecker. She has been one of the key persons in leading the construction of the law firm from its start and has contributed to its development with a strong personal involvement.

Throughout her career, she has specialized in international business, while also having a strong background as civil and commercial litigator in Luxembourg.

In 1997 she simultaneously launched the corporate law department, as well as the employment law department that she headed for a period of 7 years.

During her secondment in 2001 at the Landwell office in London, she was notably in charge of managing and coordinating wide pan-european corporate transactions.

Since then, she has focused on Private Equity and M&A transactions related to the acquisition of targets all over the EU, through joint venture companies and other Luxembourg vehicles (regulated or not).

She also deals with Corporate Structuring projects involving mainly UK clients.

Moreover, she advises on employment matters linked to private equity transactions, in particular as regards employees' compensation and benefits matters (such as stock options and incentive plans).

Marie-Béatrice is one of the founders of the first Luxembourg association of employment law specialists, called "Employment Law Specialists Association, Luxembourg" ("ELSA"), which was created at the beginning of 2007.

Apart from being a legal expert, she enjoys very much being an "entrepreneur" and looking for new ways of doing things and implementing them within the firm with an open mind. She constantly seeks to improve the quality of the services rendered, by adapting the services offered to meet the clients' needs more and by expanding the area of activities that the firm is engaged in. In this respect, she is – within the firm – the partner in charge of Human Resources, Internal Communication, Marketing and Invoicing.

Marie-Béatrice is highly recommended by the European Legal Experts and is recommended by the Legal 500 and by PLC Which Lawyer.
