

Charles de Kerchove

Experience

Charles has worked for several first class law firms in Singapore, Brussels and Luxembourg before joining Noble & Scheidecker. In each of such jurisdictions, he had the opportunity to advise major international groups mainly in restructuring and refinancing deals.

He is specifically involved in business transactional law, advising domestic and international clients in refinancing, restructuring and cross-borders transactions and acquisitions.

He has produced several documents mainly focused on Luxembourg investment companies in risk capital and securitization as well as a specific paper (in Dutch) on the procedure aspects of state aids issues under EU law co-headed by K. Van Miert, former Commissioner for EU Competition.

Charles has also assisted one of the first IT Luxembourg structures qualified as regulated IT service provider ("Professionnel du Secteur Financier") from its incorporation and its further development in Luxembourg.

Education

Postgraduate diploma in European and International law (in Dutch), Vrije Universiteit Brussels (Belgium), 2000

Bar Admission

Member of the Luxembourg Bar, 2006 and of the Brussels Bar (Belgium), 2000

Hobbies

Charles enjoys playing golf all year long (hcp 16) as well as tennis on clays during summer time.

He is also a fan of cycling trips around Europe and had the opportunity to cycle from New-Delhi to Singapore during three months just after having obtained his law diploma.
