

## Colomban de la Monneraye

### Experience

Colomban joined the team, having previously worked as a trainee in several law firms in Paris, which gave him the opportunity of getting a sense of the different aspects of the lawyers' profession.

He particularly enjoys Noble & Scheidecker's working style and being part of a young and dynamic team. He appreciates the diversity of profiles within the firm and being involved in transactions having a strong international exposure.

Colomban seeks to develop his expertise as legal counsel and to obtain an overall view of the clients' business needs, and finds the professional exchanges with colleagues very rewarding.

### Education

Postgraduate degree in private law, University of Adelaide (Australia), 2004

Postgraduate degree in business law (DESS/DJCE), University of Poitiers (France), 2003

Law degree in business law, University of Paris X – Nanterre, 2002

### Bar Admission

Member of the Paris Bar (France), 2006

### Hobbies

Colomban loves to be in wild environments, especially in the mountains or on the sea. Everything could be a pretext to wander like skiing, hiking, kayaking or sailing.

Colomban has crossed the Atlantic Ocean in sail boat in 2005 and has explored Australia by car. He never forgets his camera as likes to be ready to catch the best picture of a beautiful sunset, a huge wave or an unexpected animal.
